

SHIVAM SHIRSAT

Entry-Level Prompt Engineer | AI & LLM Applications

Email: shivamshirsat5@gmail.com | Phone: +91 8208905910 | Pune, Maharashtra

PROFESSIONAL SUMMARY

Entry-level Prompt Engineer with hands-on experience designing and refining prompts for AI-powered applications. Strong understanding of prompt structuring, few-shot prompting, and iterative optimization. Experienced in integrating AI outputs into Android applications using cloud APIs and Firebase. Passionate about applied AI and human–AI interaction.

TECHNICAL SKILLS

- Prompt Engineering (structured prompts, few-shot, refinement)
- AI tool usage and prompt optimization
- C, C++ (DSA – progressing)
- Python (learning)
- Android Studio (Java)
- Firebase (Cloud Database)
- Google Cloud APIs
- ML Kit Integration

PROJECTS

AI Prompt-Based Android Application

- Built an Android app from scratch using AI prompts.
- Designed structured prompts for accurate and task-oriented responses.
- Integrated Google ML Kit and Google Cloud APIs.
- Used Firebase for real-time cloud database.
- Improved output quality through iterative prompt tuning.

ACHIEVEMENTS

- 3rd Prize – ScieQuest Hackathon, MIT-WPU
- Finalist – X-Fair Hackathon
- Top 100 Rank – SIH Internal Round (500+ teams)
- CGPA: 9.5

EDUCATION

B.Tech – Computer Science & Engineering

MIT World Peace University (Second Year)

CGPA: 9.5
